## Industrial Visits and Field Trips

Industrial visits and field trips help to observe, listen and learn from practical environments.

## Language Lab

Language lab helps to exercise listening-speaking-reading writing skills and improve English communication.

## Sports

Sports and games help to stay mentally and physically strong.

## Community Service

Community service helps to enhance personality and leadership skills.

## Interactive Programmes

Quiz and group discussions help you to stay abreast of current trends.

## Yoga

Yoga and meditation improve concentration, confidence and overall wellbeing.

## Fine Arts

Fine Arts inculcate aesthetics, entertain and help experience enjoyment.

## Workshops

Workshops and competitions help to learn and hone new skills.

## Placement Training

Placement training helps to prepare for job interviews and establish a career.

# Competitions

Fairs, exhibitions, presentations and competitions help to showcase talents.
