10. SWOC Analysis

- Every year our students got first five University Ranks
- Large number of students placed in reputed hospitals
- MoU with Multi Specialty Hospitals, Trichy.
- Collaboration with Healthcare Sectors & Colleges

- Good rapport with hospitals to conduct training and Workshops.
- Better career opportunities in hospitals and colleges.

- Inadequacy of Higher Studies
- Yet to publish more no. of journals and books

- The non science students find it difficult to cope up with science papers.

11. Future Plan

- Forge MoU with Hospitals
 - To invite experts from hospitals as faculty of our College
