OUR MISSION AND VISION

MISSION

Started in the year 2017 AMRA's mission is to train people and certify graduates from both science and non science graduates

Our mission is also to provide job oriented program and provide an entry to the medical coding/billing companies.

Our primary focus is provide quality training and provide good knowledge to the trainees to compete with the other people in the industry and achieve peak in their career

VISION

We in AMRA would like to extend our training across the globe through internet (online training)

We already are training people from the USA and UAE.

We are also looking to start projects and provide job opportunities for both rural and urban graduates
