Skill Development Programme

The Department of English, Shrimati Indira Gandhi College, organised a Skill Development Programme for all the I year PG students from 09.07.18 to 13.07.18 at MBA A/c Seminar Hall. Mr. R Alfred Ramesh, Trainer of soft skills, personality development and communication created an awareness on the significance of communicative skills for their future career. He enhanced the students writing skills with special reference to writing resumes and various types of letters. He also motivated the students to think positively and act according to that for the betterment of their life. He then shared his personal experience to make the students realize the vital role played by behaviour and character in one's own life. Through Audio-visual aids he made the sessions lively and encouraged the students to interact and clarified their doubts then and there. On the whole it was a highly beneficiary programme to the students.

Soft Toy Making

Date:21.07.2018

The Department of Fashion Technology & Costume Designing and Entrepreneurship Development Cell(EDC) Jointly organized a one day workshop on "Soft Toy Making"(Trainers Training Programme) for the students of various disciplines on 21.07.2018 in R.V Auditorium.

Soft Toys making activity is one of the simple and less investment activity. These toys made of fur and acrylic in various designs and sizes. These toys are manufactured in various design, colors, size and more popular in the shape of animals. The most common soft toys are available in the market are Teddy Bear, sitting dog, various animals, etc. The work is like cutting & stitching etc. The process of manufacturing of soft toys is too easy cloth is cut according to the design of the toy which is to be prepared and then sponge is filled into from the other side. Later buttons, ribbon, and eyes are tucked to it to make it a complete doll.

The Participants were taught to stitch Louie dog, Teddy bear, Sitting dog & Rabbit. More than 200 Students participate in the workshop & showed the interest. This workshop paved the way for students to become good entrepreneurs.
