## About the Program

The latest technological advancements in the global digital era have made the teaching profession, a real challenge for 21st-century educators. The erratic movements in education and technology are the new normal, worldwide. There is a universally felt need for an integrated system of values and academic excellence in the teaching-learning environment. In this scenario, the FDP intends to equip the teaching fraternity with multi-faceted techniques to disseminate knowledge to the young learners effectively. It aims at sharpening the skill-set of the educators, enabling them to be emotionally balanced, intellectually vibrant, professionally competent to inspire, educate and mentor the young learners to soar high in the new digital era. The program further equips the academicians to empower the students to become compassionate, fulfilled individuals, ideal citizens, and contributing members of the world order. The FDP also aspires to address New Education Policy 2020 in higher education from the teacher's perspective.

## Research Excellence and Innovation - 30.11.2021

Shrimati Indira Gandhi College organized a Virtual Faculty Development Programme on "Research Excellence and Innovation" on 30.11.2021 from 3.00 p.m. to 4.00 p.m.

Dr. V. Mahesh, Associate Professor, Department of Biomedical Engineering, Sri Sivasubramaniya Nadar College of Engineering, Chennai was the resource person of the day.

Dr. K. Meena, Secretary, Shrimati Indira Gandhi College, presided over the webinar.

Shri. K. Chandrasekaran, M.S., CEO, Smt.S.Aparna, Director and Dr.S. Vidhyalakshmi, Principal, Shrimati Indira Gandhi College were present.

Dr. S. Rathinavalli, Assistant Professor of Computer Science, moderated the session and introduced the Speaker.

Dr. M.Manimekalai., Research Head, Shrimati Indira Gandhi College, Trichy welcomed the gathering.

The resource person started the session by defining the term ' Research Excellence'. He stated how to convert a research paper into a product with added value by extending it as a community based one. He also said that apart from publishing papers, guiding the students, obtaining funds., research should also impact and support the society. He then encouraged the researchers to perform multidisciplinary work along with three to four members of different fields to hit the funding agency and to obtain maximum funds. Then he advised to have a thorough knowledge and should prove our ability to attain good results. Then he showcased several funding agencies across our nation. He further discussed about having brainstorming sessions for the students so that they can develop the skills especially in managing finance and also learn how to handle failures with ease. Then he discussed the purpose of innovation and its four kinds namely sustainable, incremental, disruptive and radical. He concluded the session by pointing out five 'I' framework namely Identify, Innovate, Implement, Industrialize and Improve. The speaker responded patiently and elaborated with suitable examples to the questions asked by the faculty. The webinar session came to closure with a formal vote of thanks rendered by Dr. R. Prabha, Assistant Professor of Mathematics, Shrimati Indira Gandhi College, Trichy. The session was streamed live on YouTube. About 160 faculty members of Shrimati Indira Gandhi College, Trichy attended the webinar with utmost interest and benefitted by this resonate webinar.

### ABOUT US

Shrimati Indira Gandhi College (SIGC) was founded in 1984 by Vidya Seva Ratnam K. Santhanam with a single-minded devotion to educate and empower women. We are an unaided college, affiliated to Bharathidasan University, and is one of the first two colleges in the state, founded exclusively for women. Today, the college has grown into an educational hub for women with 16 departments together offering 50 UG, PG and Research. The 'A' Grade accreditation by NAAC and thousands of students who trust us to shape their career paths stand testimony to the quality education we provide. Our large campus spans over an area of 9.04 acres in the heart of the city, provides world-class academic infrastructure and residential facilities.
