

# SHRIMATI INDIRA GANDHI COLLEGE

(Nationally Accredited at “A” Grade (3rd Cycle) by NAAC)

Chatram Bus Stand, Tiruchirappalli – 620002.

## CRITERION - II

### 2.3.1. STUDENT CENTRIC METHODS FOR ECONOMICS

### 2.3.1 EXPERIENTIAL LEARNING

#### INDUSTRY

Industrial visit provides students with an insight into the corporate world. An industrial visit to “Benchmark Tea and Chocolate factory” was organised by the Department for the students on 21.4.22. The visit helped the students to explore more ideas regarding the quality, types, process, uses of drinking tea, marketing models and machines involved in the manufacture of tea and chocolates. The students enjoyed the climate and they were let to experience the sense of leadership, promoted critical thinking skills, improved the bond between the students and the teachers, induced new culture of learning beyond classrooms.

21.04.2022

The students are taken to industrial visit to Coorg Commodities and Coffee curers at Kushal nagar, Coorg. The students perceived the process of coffee curing and had a glimpse of the merchandise. They also acquired the practical real world perspective on the export channels.

## FIELD VISIT

The Department of Economics organized the field study and research view on “Biomedical camp; Economical value of flowers” to create awareness among the students about the excellent opportunities for the production and export of high value horticultural products including flowers at Ettarai on 8.02.2020. Around 45 students were benefitted.

## EDUCATIONAL TOURS

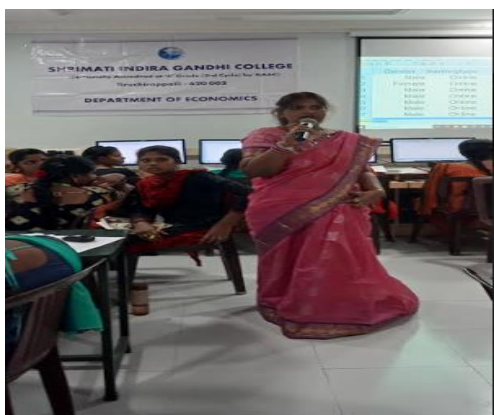

Amartya Sen Club of the Department of Economics arranged an educational tour to visit Brahadeeshwarar temple to Tanjore on 22.02.2020 to visualise tourism in India as the trajectory of growth and prosperity. The students took photographs of the sculptures and the scripts on the rock stones and had a glimpse on the marvellous architecture, evolution of habitation, and the technicalities of constructions in the Palace, Museum and Saraswathi mahal library .The trip was very useful for the students to know the cultural heritage of Chola kingdom.

## WORKSHOPS

### WORKSHOP CONDUCTED

One day workshop on "SPSS Package" was jointly organised by the Departments of Economics and the Department of Bank Management on 13.9.22 to educate the arts students and experience the hands-on training for the them. The students had a technical session on SPSS software and its usage on data transformation, graphing and the provision of the data analysis for descriptive and bivariate statistics and numeral outcome prediction for identifying groups and for direct marketing features. They also given data for the analysis of chi-square test and to construct the output with ANOVA and T test. Dr. Royal Edward Williams, Dr.J. Sathya, were the resource persons.
