Policy Document on Plastic Free Zone

Policy statement

The institution is aware of its role in protecting and saving the environment by following plastic free concepts and by organising various activities. This is followed within the campus and during the programme.

Key Objectives

- No use of plastic bags less than 50 microns inside the campus.
- Plastic cups and plates are banned in canteen, classrooms and during functions on campus.
- Single use plastic materials for decoration and banners are banned.
- The use of eco-friendly products like jute or cloth bags and files are encouraged.
- All the departments have to abide by the policy.

Policy Document on Green Campus

Policy statement

The institution is committed to environmental sustainability by encouraging eco-friendly campuses.

Key Objectives

The Institution

- Creates awareness by organizing various activities.
- Recommends the use of bicycles, public and Institution transports.
- abandons the usage of plastic bags to promote the green campus
- Reduces the usage of toxic chemicals and executes proper waste management (solid, liquid, e).
- Adopts renewable energy sources to promote environmental sustainability by generating current from solar panels
- Educates the students about the environmental concerns through extension activities by NSS and Exnora on and off-campus.
