

SHRIMATI INDIRA GANDHI COLLEGE

(Nationally Accredited at "A" Grade (3rd Cycle) by NAAC)

Chatram Bus Stand, Tiruchirappalli – 620002.

7.1.2 Water conservation - Additional Information

Water is conserved in our campus by rainwater harvesting and recycling RO water. Rain water harvesting is an easy and economical way to deal with water scarcity. The College is environmentally responsible by harvesting rain water, leading to eco-conservation and constructive use of natural resources. Falling water tables are restored by this method. The wastewater from RO plant is recycled for restroom usage.

7.1.2. Water Conservation

Sl.No	Particulars
1	Borewell/ open well recharge
2	Maintenance of water bodies and distribution system in the campus
3	Construction of tanks and bunds
4	Rain water harvesting
