Shrimati Indira Gandhi College Organized an awareness programme on "Understanding cancer" at MBA Auditorium on 7th February 2022 (Friday). Dr. K. Meena, Secretary, Shri K. Chandrasekharan M.S., Chief Executive Officer and Mrs. Abarna Sekar, Director, Shrimati Indira Gandhi College presided over the program. Dr.G. Govindaraj, Surgical oncologist, Harshamitra Super Speciality Cancer Centre and Research institute, Trichy was the chief guest. Dr. S. Vidhyalakshmi, Principal, Vice Principals and Faculty members were also present. Dr.C.K. Thilagavathy, Duty Medical officer, Mr. Pudhiyavan, Senior operation manager, M.S.N. Alex, Mr. A. Siva Arunachalam, Marketing Manager and Staff nurses of Harshamitra Cancer Centre were the special invitees of the programme.

Ms.R. Maheswari, Assistant Professor, Department of Mathematics, Shrimati Indira Gandhi College welcomed the gathering. The chief guest in his keynote address recorded that a greater number of females are diagnosed with breast cancer in Tamilnadu. He described the incidence, impact, risk factors and screening methodologies for cancer. He also explained the most common cancers prevalent among women namely breast cancer and cervical cancer.

The speaker furthermore elaborated the diagnostic procedures like self-examination, mammogram for breast cancer, papsmear test for cervical cancer. He also insisted about vaccination to prevent cervical cancer from the age of 9. He concluded the session by answering the questions raised by the faculty members. A special consultation for cancer was conducted in MBA block by Dr.C.K. Thilagavathy to the faculty members.

The programme came to an end by the formal vote of thanks proposed by Dr. A. Shanmugapriya, Assistant professor, Department of Biochemistry, Shrimati Indira Gandhi College.
