IIC POLICY

VISION

To promote Innovation, Design Thinking, Entrepreneurship, and Research, leading to patenting.

MISSION

- To constitute an ecosystem to incubate and promote innovative ideas.
- To orient faculty and research scholars to develop products and processes through research.
- To promote entrepreneurship among the students.
- To create awareness about IPR.

The objectives of the IIC are

- To establish an incubation center to promote innovation and implementation of ideas.
- Nurture the attitude of entrepreneurship through curricular and co-curricular activities.
- Produce successful student entrepreneurs.
- Register and publish as many patents as possible every year.

GOVERNANCE & FUNCTIONS

Institutional Support

The Institution supports the faculty and students in innovation and entrepreneurship-related activities in the form of seed funding, mentoring, and motivating. Both the students and faculty members are granted access to the resources and facilities available within the institution.

Functions of IIC

- Promote and conduct entrepreneurship-related activities prescribed by Central MIC.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/seminars/ interactions with entrepreneurs, investors, and professionals and create a mentor pool for student innovators.
