Plan of Action for 2022 – 2023

- As per the perspective plan and 7 pillars growth framework, areas that needed strengthening were identified.
- Enrollment ration being poor, it was decided to analyze the enrollment per programme and identify those that could be suspended till demands increase.
- The second most important area was placement of students. There has been an increases in the number of placements over the past two years. However as our mission is to achieve more than 75% placement, strategies to improve placement were analyzed.
- Branding and visibility were to be improved to improve the type and number of students admitted for the forthcoming year
- A structured approach to all-round development of students was planned keeping in view admission and placements
- Life at SIGC for students was taken for study more co-curricular, extra – curricular activities were planned.
- Several infrastructured modifications were planned, and are in pipeline
- Domain – specific upskilling planned for improved employability teaching plan to be improvised for transparency among students
- More weightage to be given for entrepreneurship development, innovation, patenting and research
- Alumni association to be registered and revived. Contribution by alumni to be nurtured
- Governance and leadership to be reformed.

AGENDA:

- Review of admissions and result analysis
- Report of research plan & achievements.
- Review of plan of action
- Any other topic for discussion

Minutes of the meeting held on 17th September 2022

1. Topic I: Review of admission and result analysis

2. Admission ratio is 50 – 87%. Admissions for many programmes have lost demand, so a detailed analysis of 3 year to 5-year admissions have been considered and it was decided to suspend a few programmes. Even though add-on certificate, PG & Diploma programmes are offered. Students do not wish to take them. There have been a few students who have joined Tailoring & Embroidery and Diploma in Fashion Technology / Certificate course in functional English.

Results in both UG and PG are 100% 92 ranks have been obtained

No students from other states / countries were admitted.

Topic II: Placement Training:

Placement training was given to students to upgrade their skills and make them ready for employment. Domain specific training was given to II UG students and I PG students. Communication skills training to I UG students and analytical / logical / interview skills training were provided to all final year UG & PG students. Each training was discussed with the principal, Vice-Principals, HODs and special staff members and arranged. So, all members were satisfied. They demanded for more placement drives during the even semesters. They also felt that students should be given more counselling to take jobs anywhere in the state / country. The T & P division formed a structured approach consisting of faculty placement coordinators for each department who could help in better communication, collection of feedback and coordination for each department / class. Special student coordinators were also appointed to monitor and report placement outcomes. These were analyzed to further customize placements.

Topic V: Operational plan for this year:

In keeping with our strategic plan to improve quality, several steps have been taken.

- ✚ Key persons in government, industry and academic and sometimes from sports & entertainment industry have been invited to motivate and inspire students. This has also considerably improved the brand name of the college.
- ✚ Many departments have conducted International / National level conference / seminars/ workshops to bring in expertise from industry and academia to students to provide exposure and knowledge.
- ✚ 12 classes have been proposed to be suspended during 2023-24. (list attached) because these programmes have been lost their demand recently. This may improve the student's enrollment ratio.
- ✚ Several infrastructural modifications have been carried out to improve the ambience and facilities available in the college.
- ✚ Institutions innovation council has been established to promote on entrepreneurship, patenting and research. Many activities like ideation, hackathon, startup ideas/ confits, developing business proposals and their implementation have been conducted under the aegis of the IIC. Coordinators from all departments have been appointed to promote the IIC.
- ✚ Further plans to improve the college have been discussed.
- ✚ Vision 2023 group was formed to focus on the progress of the college.
- ✚ Steps for obtaining ISO 9001:2015 certification are already under progress.
- ✚ Internal audit was conducted for all departments and was found to be satisfactory some improvements have been suggested.

Action Taken Report 2022-23:

Areas that need strengthening to be identified

❖ **Admissions:** Enrollment ratio to be improved

- 12 classes will be suspended for forth coming year as demands have divided. Special efforts like
- IGNITE, interschool competitions and IGNITE Summerfest summer camps & contest were conducted to improve branding and admissions. Special training camps in

- MS-Office and Python was conducted for students completing +1/+2 to attract admissions for the C.S/ I.T/ C.A departments. B. Com CA also will be benefited
- Training in Biochemical methods was conducted to attract admissions to B.Sc Biochemistry,
- Special call centers were setup to attract admissions.
- Usual advertisements and marketing strategies through print and audio-visual media were also carried out besides campaigning in person.

❖ **Placements:**

❖ 541 offer letters were given by 30 companies who visited our campus for recruitment. Out of 1350 final year students, only 50% were interested in placement out of them 85% got placements.

❖ All the 3600 students studying in the college are given placement related training irrespective of the year to which they belong final year students are given special preplacement training to crack interviews & competitive exams

❖ **Cracking competitive exams**

Even though students appear for TNPSC exams, only a few have passed and are yet to be recruited. Even though lot of training was given, we need to work on groups with a focus.

❖ **Research**

Even though lot of impetus is given, relatively less work is carried out this needs to be attended 5 patents filed

❖ **Modern Infrastructure & facilities**

- A great many efforts have been taken in this area.
- New library block, Remodeled office & accounts using Training & Placement using, Structured IT facilities, letter security & Surveillance have been constructed.

❖ **Quality assurance strategies:**

- ISO – 9001 : 2015 certification applied audit over shortly will receive the certificate
- Republished website with lot more attractive content UpToDate and maintained well
- Registered Alumni Association

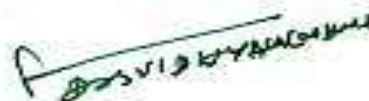

❖ **Improved Campus Activities.**

- More sports, fine arts & entertainment activities.
- Area people visit the campus to motivate students
- More International / National Workshops / conference and seminars to enlighten students.

- More attention given to speakers who are invited speakers preferred from the industry or IIT/ NITs.
- Impetus given to innovation & entrepreneurship through IIC, Yi, EDC, etc.
- Equal importance given to sports & fine arts.
- Performing arts workshops and artists are invited to motivate students to consider arts as a career.
- All departments compete with each other in conducting events, and winning awards and recognitions. Totally 9 international events, 3 national level events, 55 regional events have been conducted.
- 33 books/ chapter have been published by teaching staff.

❖ **Better governance & best practices.**

- Weekly and fortnightly meetings with various teams and committee to improve management and maintenance.
- Vision 2023 team formed to discuss operational strategies to reach vision, mission & objectives with the management
- Special teams to coordinate events, are resources optimally and for leadership.
- HODs appointed on rotation to bring out talents and leadership
- Energy & Green audit conducted and campus ambience improved.
