### STAKE HOLDERS FEEDBACK ON CURRICULUM 2022 - 2023

The feedback has been collected from various stakeholders during the month of March 2023 and all the parameters mentioned in the feedback have been analysed and it was found that the most of the parameters are in the satisfactory level. The feedback from students was collected using a structured questionnaire and the responses were rated on a two point scale. The parameters in the feedback form covers the aspect like curriculum development, curriculum delivery, orientation course and placement, ICT based learning, Internship training, Industrial and Field visit, Project work, Elective in major based paper, choosing non-major courses in the curriculum, Text and Reference book availability. The responses are scored over a two point scale. To have continuous improvement all the responses were studied thoroughly. It is evident from the graph enclosed that majority of the students are satisfied with all the parameters.

The feedback from teachers on curriculum was collected using structured questionnaire and the responses were rated on four point scale. The feedback form comprises the aspects like ICT based teaching, Effectiveness of the course content, Curriculum Content Congregates Industrial requirements, Continuous assessment components, Skill oriented courses in the curriculum, Outcome of the course, Periodical revision of curriculum to meet the current needs are rated on two point scale, and Academic flexibility on the

Curriculum like IDC, Educavus, EDC, Skill based rated on four point scale. Majority of the teachers satisfied with all the parameters.

The Parent feedback is done on few parameters such as Exposure to Industrial Training, Curriculum Promotes Entrepreneurship, Curriculum Enhances Employability, Curriculum Content Promotes Skill Development rated on two scale parameters.

The Career Orientation/Guidance and Learning Environment inside the college campus responses scored over a four point scale (Fair, Good, Very Good, Excellent)

The relevance of curriculum to the career requirements responses were scored over three point scale like (Not at all relevant, Not much relevant, Relevant).

From the graph majority of the parent were satisfied with all the parameters.

The alumni feedback was good in almost all the parameters.

The employer feedback on curriculum is done on few parameters like Suitability of the designed curriculum for Industrial / Social Requirements, Effectiveness of the Curriculum, the Courses enhances Employability, Internship, Project to promote knowledge and skill for employability, Curriculum meet current needs of industry. The graph shows that employers were highly satisfied. Design of the Curriculum in enhancing personality traits were rated on four point scale (Good, Very Good, Excellent)

The feedback and suggestions obtained are discussed with principal vice-principal, and HOD's and required remedial measures to be initiated to improve the show comings. IQAC is recommended to submit
