Lakshmi,

Indira Gandhi College,
Kopalli,
Tamil Nadu.

Dear Sir,

I am,
Principal,
Indira Gandhi College,
Kopalli,
Tamil Nadu.

Indira Gandhi College in its endeavour to creating a new generation talent pool has been working all along with different Departments and Corporates in initiating Skill Development Training Programs for the youth in different sectors.

Indira Gandhi College has inked a MoU with ICT Academy to implement its CSR initiative in the states of Tamil Nadu, Karnataka and Maharashtra to skill 5000 graduating final year students on Advanced IT Skills. Honeywell seeing the vast job opportunities available for the youth in the IT & ITES industry, has initiated to skill the graduating women students from the rural and low-income family groups, thus helping them building their socio-economic levels. The objective is to skill the women students and prepare them to be employed.

Indira Gandhi College through its Institutional tie ups for skilling youth has taken up the responsibility to implement the program. We request the Institution to facilitate the women students to make use of this opportunity and provide 100 women students for the training program. The features of the training program are given below.

Coverage

It Azure AI Fundamentals (AI-900)

- Introduction to AI
- Machine Learning
- Computer Vision
- Natural Language Processing
- Conversational AI

Features of the Training Program

- Establishing Centre of Excellence (COE) under the CSR initiative of Honeywell.
- COE is for skilling 100 women students in Advanced Technology, in demand in the industry.
- Curriculum is mapped to Global Industry Standards.
- Global Certifications to the women students trained.
- 100 hours of activity based and hands on training.
- Certificate Program is fully sponsored by Honeywell and offered free of cost to the students.
- Best placement facilitation for students successfully completing the training.

Delivery of the training
