"TELEGENIC - QUIZ"

Date: 22.02.2020

Venue: MCA Lab

Time: 11:30 am to 01:30 a.m

Departments of Computer Science, IT and Application of Shrimati Indira Gandhi college organized a quiz titled "TELEGENIC - QUIZ" on 22nd February 2020 at 11:30 A.M. for the students of II B.Sc (Computer Science), II BCA and II B.Sc (Information Technology).

The aim of this programme was to motivate the students to get knowledge about the latest technologies with fun in Quiz. This programme was conducted by the final year B.Sc (Computer Science), BCA and B.Sc (Information Technology) students to the second year B.Sc, (Computer Science), B.Sc (Information Technology) and BCA students.

There were five rounds of different types of questions for the participants. In the first round, the participants answered for Multiple choice questions. Selected candidates attended the second round to find more numbers of technical words from a letter given by the senior students. The visual round was full of fun to find the answer the questions not answered by the teams and they were prized to a. The very interesting and enjoyable round is connections. The candidates should connect the given two pictures with a technical term.

In the final round, the participants gave answers for the questions shot by their

**Jointly organized a
Demonstration on "Traditional Bridal Makeup"**

Date : 24.01.2020

The Department of Fashion Technology & Costume Designing and Entrepreneurship Development Cell(EDC) Jointly organized a Demonstration on "Traditional Bridal Makeup" for all UG and PG students of various disciplines on 24.01.2020 at R.V Auditorium.

Mrs. Farzana, Limra's Luxe Salon & Beauty Academy, Trichy was invited as a resource person. She demonstrated the process of Bridal Makeup and preparations with different styles.

She gave a detailed overview of the need for good health and beauty for women. She gave some tips on face makeup, hair dressing and good bridal dressing styles.

Mrs. Farzana explained about the beauty products which are used specially for bridal makeup. Demonstration on different types of bridal makeup and hairstyling were given.

Students also tried to do different styles of bridal makeup and hair dressing after the demonstration. The programme created an opportunity for the students to bring out their talent. This also appealed to their entrepreneurial sprits. Totally 1000 students participated with enthusiasm.

Tiruchirappalli – 620002

Organized a

Short term basic level

programme on "Personnel Grooming & Skin Care"

Date: 12.02.2020 to 27.02.2020

The Department of Fashion Technology & Costume Designing organized a short-term basic level programme on "Personnel grooming & skin care" from 12th February 2020 to 27th February 2020 at our campus collaborated with Limraz Luxe Salon & Beauty Academy, Trichy. The total number of enrolled students was 35 which comprises of various disciplines from our college. The course timings were maintained from 2.00 p.m. to 5.00 p.m.

The course content was framed to be a career-oriented course. This course started with zero knowledge of beauty culture & converts students into professionals. Majorly the course content includes concepts of hairstyles, hair coloring, haircuts, hair spa, varieties of facial bleaches, manicure & pedicure, superfluous temporary hair removal techniques, skin analysis, mehandi styles, basic & bridal makeups.

This course updates the necessary knowledge & skills to enable them to manage a beauty salon & hair spa environment effectively. On completion of this course, the students felt more self-confident with their own personal grooming. Students have shown much interest in attending classes & actively participated in all sessions & clarified their queries with their course coordinators. The theory session was conducted at our campus & the practical session was conducted in the salon. The infrastructure of the laboratory at the salon was well equipped and thankful for allowing for our students.

The course was a very good learning experience by the students. The students were highly motivated & wanted to attend more such courses as it provided them with a practical knowledge of the course. Students were eager to attend advanced courses in beauty culture. This course outcome prepares the student to be an independent entrepreneur in future.
