Visiog:	To be the #1 Arts, Science, Commerce and Management Institute for women, in India

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet

Now therefore, this Memorandum of Understanding (hereinafter called "MOU") witnesses the

following.

1. **Term and termination:** This MOU is valid for an initial term of 1 year from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
2. **Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
3. **Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
4. **Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
5. **Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.
6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
 - d. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - e. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner.
 - f. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government

agencies.

- g. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
- h. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
- i. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)

8. Responsibilities of Institution:

- a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
- b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
- c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
- d. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
- e. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
- f. **SIE chapter:** The Institute will support the SIE chapter, led by its students, to the extent possible.
- g. **No fees.** Institute will not charge any extra fees from learners for participation in Edunet programs. Edunet will not charge any fees from the students/university for the program.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.

3.6 SIGC shall also provide computational laboratory facilities for the conduct of the training and courses.

3.7 The financial aspects of the above shall also be worked out on a case-to-case basis between the two parties.

3.8 MathCowould also appoint one or more contact persons who shall coordinate the training and Certificate / Diploma / PG- Diploma Programs.

3.9 MathCo would be interested in interviewing the students who score well in these courses, by the time of their graduation from SIGC.

4. Status of MoU

SIGC and MathCorecognize that regular and timely communication and consultation are key elements in achieving the purposes of this MoU. The parties will meet once in a month or as required to address issues pertaining to the MoU.

5. Validity of MoU

This MoU will be valid for a period of three years from the date of signing of the MoU. The parties agree to review / renew this MoU three months prior to the termination of the MoU.

6. Termination of MoU

This MoU may be terminated by mutual written consent of the persons occupying the positions of the signatories to this MoU.

7. Confidentiality:

- a) The parties each hereby acknowledge and agree that in connection with this Memorandum, they may have access to information that is confidential and/ or commercially valuable to one or more of the other parties ("Confidential Information").

The Parties each hereby acknowledge and agree that they may be both the receiving party in relation to some confidential information ("Receiving Party"), and the disclosing party in relation to some other confidential information (Disclosing Party") and the terms of this Memorandum may apply to a Party as both a Receiving Party and as a Disclosing party, as the context so provided.

- b) To this memorandum, confidential information may include but is not limited to:
- (1) Information of whatever nature relating to the project or to another Party (whether relating to the Project or otherwise);
 - (2) Any information derived from any other information which falls within this definition of confidential information; and
 - (3) Any copy of any confidential information.

But does not include information which:

- (1) Was known or in the possession of the Receiving Party before it was provided to the receiving party by the Disclosing party, provided that it was known or in the possession of the receiving party through legal means and not as a result of any breach of this Memorandum or any other agreement or obligation relating to confidentiality
- (2) Is, or becomes, publicly available, through no fault of the Receiving party.
- (3) Is provided to the Receiving Party without restriction or disclosure by the third party, who did not breach any confidentiality obligations by making such a disclosure;

(4) Is provided to the Receiving party by the Disclosing party and is marked "non-Confidential"; or

(5) Is required by law or regulation to be disclosed, but in the event that this exception applies, it applies only to the absolute minimum necessary and provided that the disclosing party is first consulted to establish whether and if so, how far it is possible to prevent or restrict such enforced disclosure.

c) In relation to any Confidential information:

(1) The Receiving Party shall keep the Confidential information confidential and secret.

(2) The receiving party shall only use the confidential information for the purpose of working in good faith on the project in accordance with this Memorandum.

(3) the Receiving party shall not release the Confidential information to any other party, unless that other party is an advisor who is under a duty of confidentiality.

d) If there is any doubt as to whether any information constitutes confidential information, the Receiving Party should presume it is confidential information, until the receiving party obtains explicit confirmation from the Disclosing Party that it is not confidential information.

e) Each Party's respective obligations of confidentiality under this clause will survive the termination or expiration of this Memorandum and will continue for one year after termination.

8. Force Majeure:

A Party shall not be considered to be in default or breach of this Agreement, and shall be excused from performance or liability for damages to any other party, if and to the extent it shall be delayed in or prevented from performing or carrying out any of the provisions of this Agreement, arising out of or from any act, omission, or circumstance by or in consequence of

any act of God, labor disturbance, sabotage, failure of suppliers of materials, act of the public enemy, war, invasion, insurrection, riot, fire, storm, flood, ice, earthquake, explosion, epidemic, breakage or accident to machinery or equipment or any other cause or causes beyond such Party's reasonable control, including any curtailment, order, regulation, or restriction imposed by governmental, military or lawfully established civilian authorities, or by making of repairs necessitated by an emergency circumstance not limited to those listed above upon the property or equipment of the Party or property or equipment of others which is deemed under the Operational Control of the Party.

A Force Majeure event does not include an act of negligence or Intentional Wrongdoing by a Party. Any Party claiming a Force Majeure event shall use reasonable diligence to remove the condition that prevents performance and shall not be entitled to suspend performance of its obligations in any greater scope or for any longer duration than is required by the Force Majeure event. Each Party shall use its best efforts to mitigate the effects of such Force Majeure event, remedy its inability to perform, and resume full performance of its obligations hereunder.

9. Indemnity:

Each Party to this MOU shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this MOU. For tort liability purposes, no

participating Party shall be considered the agent of the other participating Party. Each Party to this MOU shall be liable (if at all) only for the torts of its own officers, agents, or employees that occur within the scope of their official duties. Under no circumstances shall this MOU be interpreted to create a partnership or agency relationship between the Parties.

10. Severability:

Any law restraining the validity and enforceability of any provision of this agreement shall not affect the validity or enforceability of the remaining provisions hereof and this agreement shall be deemed as not containing the invalid provisions. The remaining provisions of this agreement shall remain in full force and effect, unless the invalid or unenforceable provision comprises an integral part of or otherwise is inseparable from the remaining agreement.

Secretary, Shrimati Indira Gandhi College
SECRETARY
SHRIMATI INDIRA GANDHI COLLEGE
TIRUCHIRAPPALI - 2

In such a case, the Parties to this agreement shall attempt to agree on a provision which is valid and enforceable and similar to the original provision.

11. Dispute Resolution:

If any dispute or difference of any kind whatsoever may arise between the Parties in connection with or arising out of this agreement or out of the breach, termination or invalidity of the agreement hereof, the Parties shall resolve them by resorting to the following order as mentioned:

(i). The parties shall attempt for a period of 30 days after receipt of notice by the other party of the existence of a dispute to settle such dispute in the first instance by mutual discussions by way of mediation process conducted by accredited mediator between the Parties.

(ii). If the dispute cannot be settled by mutual discussions/ mediation process within 30 days (or any extended period taken for mediation process) as provided herein, the dispute shall be referred to the sole arbitration of any arbitrator appointed mutually. Expectations from the College:

In order for this endeavour to succeed we need to base it on the foundation of strong synergy between Shrimati Indira Gandhi College and our platform. We expect the following cooperation & assurance from the College management in order to ensure that our program remains fruitful for all the stakeholders involved.

- Students should be able to allocate at least 5 hours every week during their college hours to work on our courses
- Allocation of an adequate number of staff for each class to supervise the students while they work on our platform. These teachers will also have access to our support team for assistance.
- Encourage and drive the students to work on our courses & other associated activities during off college hours
- Ensure that students have the necessary computing infrastructure in the form of access to systems in college and through their laptop at home along with a stable internet connection at both places to be able to access and perform the prescribed learning activities and assignments.

Project Based Learning:

Our teaching methodology involves the employment of hands-on learning techniques, predominantly project-based learning, wherein we expect students to work both individually and in teams of predetermined sizes on various real life assignments with relevance to today's business environment

There will be three types of projects :

- **Individual Projects:** These projects include brief learning assignments / competitive programming that a student must complete while studying different course modules. For example, There will be a course project on say React when he/she is studying that topic on our platform.
- **Team Projects:** These projects include complex multi-person projects wherein students will be asked to design and build an entire platform/ software offering. They will be required to draw up necessary documentation to support their work and make formal presentations of their work. They will be trained in using Version Control Systems, Project Tracking Systems and Automated Building, Testing & Deployment frameworks in order to simulate professional working conditions.

am,

from ICT Academy!

ICT Academy in its endeavour to creating a new generation talent pool has been working all along with various Government Departments and Corporates in initiating Skill Development Training Programs for the youth in various sectors.

ICT Academy has inked a MoU with Honeywell to implement its CSR initiative in the states of Tamil Nadu, Karnataka and Maharashtra to skill 5000 graduating final year students on Advanced IT Skills. Honeywell seeing the huge job opportunities available for the youth in the IT & ITES industry, has initiated to skill the graduating women students from the rural and low-income family groups, thus helping them building their socio-economic levels. The objective is to skill the women students and prepare them to be employed.

ICT Academy through its Institutional tie ups for skilling youth has taken up the responsibility to implement the program.

We request the Institution to facilitate the women students to make use of this opportunity and select 100 women students for the training program. The features of the training program are given below.
