Through

The Principal,  
Shrimati Indira Gandhi College,  
Trichy.

Respected Sir,

Sub: Upgradation of Internet Leased Line Bandwidth-reg.

As per the new AICTE regulations 2018-2019, every technical Institute approved by AICTE is mandatorily required to provide a minimum internet bandwidth of **32 Mbps** for an approved intake of 300 or lesser. Our college is already providing a bandwidth of 20 Mbps only. Hence there is a need for upgradation.

BSNL has provided us with a quotation for upgradation to 34 Mbps as the next level @ Rs.10.32 lakh per annum+18% taxes, as a concessional offer provided to us as a valued customer, where in the original cost of 34 Mbps is @ Rs.32.75 lakh+18% taxes at the current rates. Hence we are provided with an additional 14 Mbps bandwidth for an extra cost of Rs.4.1 lakhs + taxes. The internet bill for February & March 2018 will be adjusted at the current rates for 20 Mbps while making the payment for 34 Mbps with effect from 1.2.2018.

Hence I request your kind self to permit us to avail this offer to upgrade our Internet Leased Line connection at the earliest.

Thanking You.
