## 9. Organizational Chart

### 10 Student feedback mechanism on Institutional Governance / faculty performance

1. Every Semester the feedback from students with regard to the faculty performance is collected. The suggestions for improvement in performance are communicated to the faculty members. Senior faculty helps the junior faculty in overcoming the difficulties and help in implementing the suggestions indicated based on student feedback.
2. Every faculty member will submit staff self-appraisal by the end of every semester to the concerned departmental HODs. HOD will forward the same to the Principal with his remarks.
3. Suggestion box/Complaint box is situated in the institute for students in the college

11	Grievance Redressal mechanism for faculty, staff and students	<p>1. A Grievance Redressal Committee comprising of the Principal, Heads of Department and Senior Faculty members addresses the grievances of students and takes necessary remedial action regularly.</p> <p>2. The anti-ragging squad constantly monitors the activities of students in class-rooms, hostels, lab and library.</p>

A few students have been selected to represent the University and the South Zone in hockey, netball, volleyball and takewondo. Students also learn Yoga and participate in Yoga Meets.

Literary Activities	Students are motivated to present their creative ideas in the College Magazine that is published every year in March. Literary meets are also conducted by the Language Departments and are attended by the students regularly.
Magazine / Newsletter	"Voice Of Santhanam" is a Quarterly Newsletter that brings out various activities happening in the college. It also provides a report on various aspects of the college and suggestions for improvement from stakeholders.
Technical activities / TechFest	Every year regional and national-level seminars are organized to expose the students to the current and emerging trends in the industry and how to acquire the needed technical and administrative expertise to face the industry and become employable. Training to improve their aptitude, soft skills and attitude towards placement is also carried out regularly. Technical symposia are also conducted to enable students to exchange their views and expose their talents with students from other institutions. Technical workshops are conducted for students of M.C.A to enable them to learn new applications. Software Exhibition is organized to bring out the programming talents of the students. Technical Symposia and Management meets are also regularly attended by students in various other colleges every semester.
Industrial Visits / Tours	Students of M.B.A regularly visit various industries to gain first hand knowledge of managerial strategies and learn about the industry. Students of M.C.A also have to undergo internship training for two weeks in some IT company to learn about the industry. They also carry out their major project work in industries. This sometimes leads to getting placed in the same company.
Alumni Activities	Every year atleast two Alumni meets are organized. Those alumni who have been able to achieve higher positions in industries are honored during the meets.
