ONE DAY INTERNATIONAL SEMINAR

on

GLOBAL HEALTH: CURRENT ISSUES, FUTURE TRENDS & SOCIAL WORK INTERVENTIONS

21st April 2022

PG and Research Department of Social Work
of

SHRIMATI INDIRA GANDHI COLLEGE

Nationally Accredited at 'A' Grade (3rd Cycle) by NAAC

Tiruchirappalli - 620 002

About the College

Shrimati Indira Gandhi College was founded in 1984 by Vidya Seva Ratnam K. Santhanam with a single-minded devotion to educate and empower women. He clearly wanted the campus to be situated in the heart of the city so as to be convenient for students to commute as well as to be one with the culture of Trichy. It is an unaided college and one of the first two colleges in the state founded exclusively for women. It was named after the former Indian Prime Minister, whose life-size statue marks the entry to the college. From a humble beginning of 2 courses and 10 teachers the college has grown into one of the most important institutions in India. The credit for the miraculous growth of the college is due in no small measure to the dedication and hard work of the Founder Secretary K. Santhanam and his management team. In the early years, he was single-handedly engaged in finding teachers, regulating admissions, building the required infrastructure, corresponding with AICTE for starting the M.B.A and M.C.A Programmes, obtaining permanent affiliation from the University, UGC recognition and accreditation by NAAC. Treading the path laid down by him, the present management has introduced more courses and secured accreditation at 'A' Grade by NAAC for the past three cycles. Today, thousands of women across the world call SIGC their home. These successful alumnae have been visiting their campus and working with our management to shape our institution and support our students. Shrimati Indira Gandhi College is considered as the hub of culture and evolution by people in Trichy and beyond. Today we have more than 5000 students coming to study with us from all over Tamil Nadu and many more States. SIGC enables them to discover their capabilities and become strong, responsible, creative, and prepared to lead and serve their society. Our management, staff, students and alumnae in a collaborative spirit take the institution to the next level.

About the Department

PG & Research Department of Social Work was established in 2004 and it was upgraded as research Department in 2013 offering M.Phil., in Social Work. The Department is working with the vision to prepare students to effectively deal with psychosocial problems of the society through Social Work methods. Excellence in Social Work education, Quality training for students, to create critical thinking and bold action to address social problems, Successful student transition to employment are the working objectives of the Department. The MSW Programme is of two years duration, organized in four semesters. The Programme offers three specializations, Medical and Psychiatry/Human Resource Management and Community Development in the third semester. The Department has certain unique features such as., Orientation Visits, Regular Lecture Programmes from eminent persons, Fieldwork training, Block Placement, Use of latest information and communication technologies, Resource sharing, collaboration and networking with university and other Institutions, Socially and academically relevant Programmes based on students need analysis. To ensure a holistic development for social work students through a student-centric learning process the department adopted several strategies to improvise their personal and academic skills. One of the goals for creating a student-centered environment is to make learning joyful, and engaging, coupled with purposeful challenges and helping them to thrive truly an incredible place in social work discipline.
