**VILLAGE ADOPTION SCHEME**

# NATIONAL SERVICE SCHEME

## VILLAGE ADOPTION SCHEME

**The National Service Scheme** of Shrimati Indira Gandhi College, Trichy, organizes several Programmes to uplift the down trodden people of the adopted villages every year. These awareness programmes are carried out in two different categories -- One Day awareness Programme and Seven Day Special Camp every year. These camps are conducted by the NSS Units of Shrimati Indira Gandhi College, Trichy with the permission of the Village President. One day camps are conducted every month and the Seven DAY Special Camp is conducted once every year. **MILES** is the Motto of the NSS Units of Shrimati Indira Gandhi College Trichy. The Regular and the Seven day special camp activities carried out by us can be grouped under each of these categories which each letter of the word MILES stands for. In the Special Camp, we conduct Special Lecture Programmes for both the volunteers and the village people. For this, experts from the concerned field are invited from various places. They provide exposure on the problems faced, preventive measures and general awareness on the field of interest thereby sharing their knowledge with the volunteers and the people of the adopted villages. A marked change has been witnessed after each awareness programme conducted. Feedback from the beneficiaries are collected at the end of the programme to arrange for further programmes.
